*****Vote November 2018*****

Jimmy Callaway for Kent County Levy Court

Commissioner At Large

Campaign 2018

Dear Friends,

My run for public office has begun and I am writing to ask for your assistance. First, let me say that this experience to date has been eye-opening as well as educational. Anyone who chooses to run for any office, win or lose, certainly has my respect.

My candidacy is for Kent County Levy Court Commissioner at Large. In this position, I will be heavily involved in managing Kent County business, growth and future planning. My experience in business management and corporate budgeting will serve me well. Currently, as a small-business owner in Kent County, I understand the issues business owners are facing every day.

The At Large position on Levy Court is elected by the entire county and, therefore, it is important that my campaign and my message reach all Kent Countians. Things like our failing wastewater treatment system, the lack of meaningful economic growth and the non-transparent spending will all stay on the same misguided course if we don't take action. *We must take action, go to the polls, vote and win this election. When I'm elected, I will address these and many other issues.*

We are making great strides in moving my campaign forward to bring new viewpoints and ideas to Kent County Levy Court. Your help is needed so that we can continue our progress.

Remember, if you do nothing, nothing changes.

Thank you for your support! Your donation of funds and/or your time to Friends of Jim Callaway is much appreciated!
